FRESHWATER EDUCATIONAL FOUNDATION (FEF) is excited to announce that Spring 2025 Enrichment Classes are starting on March 3. Registration packets were sent home on Monday, February 3. (Extra copies will be available in the office and at ASP) This season, 12 classes are being offered with amazing instructors who have included opportunities for everyone's interests in TK-8th Grade! Legos, cooking, dance, ceramics, Pokemon, and futsal—we have something for everyone! **The first day to turn registration forms in will be Monday, February 10.** Please make sure forms are turned in to the table in front of the office on Monday or Tuesday and to the office, directly, the rest of the week of the week - February 10-14. We are looking forward to a great, enriching, Spring 2025 session! Please follow us on Facebook!

FRESHWATER COMMUNITY CLUB is hosting a By-laws Study Session and would enjoy your input. Please join us on Monday, March 3, at 5:30 p.m. in the Meeting Room to discuss changes or modifications to our By-laws.

FRESHWATER EDUCATIONAL FOUNDATION (FEF) IS ON FACEBOOK: We need your help to get more followers on our Facebook page! Please follow us to be "in the know" on LEGO Nights, fun events, and enrichment classes this Spring. Please share our posts and invite fellow Freshwater parents, family members, supporters, and friends to like and follow our page.

COMMUNITY CLUB IS ON FACEBOOK: Please follow the Freshwater Community Club's Facebook page to stay updated on meetings, events, and volunteer opportunities. Any questions, please contact Liz Stephens at (707) 502-7296.

EXPERIENCE THE EXCITEMENT OF INNOVATION AND DISCOVERY! Join us at Freshwater School's Annual Science Fair and Invention Convention on February 12 from 6:30-8:00 p.m. in the Gymnasium! Our Sixth Graders will dazzle you with their inventive creations and fun sales pitches as they present their unique inventions. Meanwhile, our Seventh Graders will showcase their fantastic findings in science exploration experiments that push the boundaries of curiosity and discovery. Don't miss this incredible evening of creativity, problem-solving, and scientific wonder. Bring the whole family and support our amazing students as they share their hard work and big ideas. Can't wait to see you there.
